HAVE CONCLUDED TO STAY.

An Opportunity That Should Not Be Lost To Consult the Famous Drs. Darrin.

REMARKABLE CURES.

Through the earnest solicitation and request of their patients and others to extend their visit in Salem they have concluded to do so, and can be consulted at the Chemekete hotel until further notice.

During their practice here in this vicinity they met with great success, and proved themselves physicians worthy of confidence and of unquestionable reputation, as their cures and testimonials can be substantiated by personal investigation.

That Drs. Darrin have effected extraordinary cures after all efforts elsewhere have failed, is a fact supported by the strongest evidence. Their cures, moreover, are rapid and permanent, as the following testimonials and letters will show:

A PROMINENT LADY OF CORVALLIS, OIL, RECITES HER EXPERIENCE OF DR. DARRIN.

DR. DARRIN—Dear Sir: I wish to express my gratitude to you for the wonderful results your electro-magnetic system of cure has done in my case. Two years ago I was stricken down with apoplexy. Numbness and great pain in my head and neck followed for a long time; other afflictions came thick and fast. I had chills, liver and stomach derangements, causing vomiting for weeks. In short, my whole system was thoroughly permeated with malarial poison, and continued so until I had a second stroke of paralysis. Hearing of you, I put myself under your care, and now, after three months treatment, I rejoice to tell you I am restored to health, and can be referred to at Corvallis, Oregon. If this will be of any service to you, publish it.

Mrs. N. P. BRIGGS.

ANOTHER OPEN LETTER.

SEATTLE, W. T., 1888.

DRS. DARRIN—Gentlemen: I now take the pleasure of writing you that after a full course of your electro-magnetic treatment I am now entirely cured of a pain in my chest, which has troubled me for over eight years. Having been under treatment of doctors of Liverpool, Glasgow, Calcutta and San Francisco, none of them did me any good until I came under your treatment, which I am sure has permanently cured me, for which, gentlemen, I beg to remain, Yours gratefully,

WILLIAM LITTLE.

DISCHARGING EAR CURED.

DR. DARRIN—Dear Sir: This is to certify that I have been under your treatment for a discharging ear, of one year's standing, and been cured by you. Refer to me at Tillamook, Or. Yours truly,

ALFRED LETCHER, Jeweler.

NERVOUS DEBILITY AND DEAFNESS CURED.

MR. EDITOR—Dear Sir: It affords me a great pleasure to certify that my daughter Tullia, who for a long time was afflicted by nervous debility, the result of a serious attack of malarial fever, followed by deafness and discharge from the ear, and who has wasted away practically to a shadow, has been fully restored to health and strength by the skillful treatment of Drs. Darrin. Those who saw her two or three weeks ago are astonished at her rapid and complete recovery. I am glad to have an opportunity thus publicly to thank these skillful physicians for their kind offices and skillful treatment. I may be referred to at No. 94, corner Fifth and Columbia streets, Portland. MRS. S. A. WOODEN.

OFFICE HOURS AND PLACE OF BUSINESS.

Drs. Darrin can be consulted free at the Chemekete Hotel, Salem, Or., until further notice.

They will under no circumstances take a case they cannot cure or benefit. Charges are reasonable,

and the poor treated free from 9 to 10 a. m. daily. Office hours from 10 to 4 daily; evenings, 7 to 8; Sundays, 10 to 12. All curable chronic diseases, loss of manhood, blood taints, syphilis, gleet, gonorrhea, stricture, spermatorrhea, seminal weakness, or loss of desire of sexual power in man or woman, catarrh or deafness, are confidentially and successfully treated. Cures of private diseases guaranteed and never published in the papers. Circulars sent free. Most cases can receive home treatment after a visit to the Doctor's office.

OCCIDENTAL JOTTINGS.

News And Notes of a General Interest to the Westerner.

Bill Nyells expected to visit the coast this winter.

The late heavy rains have started mining operations in Oregon.

The ostrich farm in Los Angeles county now has 136 full-grown birds.

A Sutter City man has an olive grove of 8000 trees in good condition.

Rival electric light companies are expected to lower rates at San Diego.

Wheat is worth 74 cents in Albany. About 100,000 bushels await shipment.

The latest reports are that there are five cases of smallpox near Monroe, eighteen miles above Corvallis.

The Willamette valley is a scene of great activity. Salem, Albany and Eugene City are all going forward with great rapidity.—Umpqua Herald.

The first smelt of the season was taken in a net in Lewis river, Oregon, last week. The fish hardly ever come to the Oregon rivers earlier than February.

The Willow Creek branch of the O. R. & N. was completed to Heppner Dec. 3rd. This is the first of a series of lateral lines that will be built south from the main road.

There is a movement on foot to erect a temperance temple at Spokane, and definite steps will soon be taken in the matter. Those interested are looking about for a suitable site. It will require \$20,000 for the ground and building.

Mrs. Wells of Ashland, distrustful banks, kept her wealth in bags of bed-ticking until a few days ago, when an employe on her farm found a bag containing \$345 and started south with it. He was followed and brought back at her expense, but escaped again, and now Grandma Wells keeps her surplus cash in an Ashland bank.

In Love With His Wife.

"What can I do to regain my husband's love?" writes Mrs. Carrie R. of Toronto. She adds that seven years ago she was married under the most happy auspices and until six months since happiness crowned her domestic life; then her husband became distant in his manner toward her, until now he is positively cold. Mrs. R. gives no particulars but if she is afflicted with diseases peculiar to her sex if her cheeks have lost their bloom, and her eyes their sparkle it may explain the cause of her complaint. In this event Dr. Pierce's Favorite Prescription will effect a magical change and restore her to health. As a powerful invigorating tonic, Dr. Pierce's Favorite Prescription imparts strength to the whole system, and to the womb and its appendages, in particular. For overworked women, run-down, debilitated teachers, milliners, dressmakers, seamstresses, shop girls, housekeepers, nursing mothers, and feeble women generally, "Favorite Prescription" is the greatest possible boon, being unequalled as an appetizing cordial and restorative tonic.

Worthy of Congratulations.

It is pleasing to note with what rapidity the circulation of the CAPITAL JOURNAL is increasing. Advertisers will do well to note it. The daily edition is coming to the fore, while the weekly is meeting with unprecedented success.

The Tacoma News is for a new name for Washington Territory, when it becomes a state, and in course of its remarks in view of rivalry between the would-be cities, proposes to take the first syllables of their names and place them together. For instance, Ta-coma, El-lensburg, Se-atle, Ya-kima and Spo-kane; the results would be Taelseyaspo. Now comes in the W. W. Journal man who wants the first syllables of his own town tacked on, which would be a kind of a double shot; making Wa-lia-Wa-lia; adding together we have Taelseyaspo-wa-lia.

Mrs. Hannah Boies, who lives at Hannibal, Mo., is the wife of the celebrated "Lone Highwayman," Black Bart. She says she believes he is as devoted to her as when he left, 20 years ago, and that he has noble traits of character.
